## **What to do if you have a complaint about Viewpoint Housing Association**

Viewpoint Housing Association aims to provide a high quality responsive and consistent service. We recognise, however, that there will be occasions when we get things wrong or service users are unhappy about some aspect of our service.

It is therefore important that we have a procedure for dealing with complaints.

The purpose of this leaflet is to let you know what steps you can take to let us know about a problem and to help put things right.

You can complain about any aspect of our service about which you are unhappy. This could be about:

- Service or accommodation provided by Viewpoint, or lack of it;
- The way in which a service is delivered;
- The attitude or approach of staff.
- Care issues

### **Sorting things out informally**

#### **Informal Stage**

It is often easier to resolve a complaint informally and directly with the member of staff dealing with that service on a day-to-day basis. This could be your Nurse, Senior Staff Nurse, Deputy or Care Home Manager.

Where it is not possible to resolve the matter immediately staff will record the complaint, the solution the complainant is seeking and the action to be taken. The complainant will then be advised in writing of the action to be taken or the outcome within 15 days.

#### **Formal Complaint Stage 1**

At this stage your complaint will be dealt with by a manager who is responsible for investigating your complaint. Your complaint will be acknowledged within 5 working days and you will receive a response to the complaint within 15 working days.

#### **Formal Complaint Stage 2**

If you are unhappy with the response to your complaint, you have the right to appeal to the Departmental Director who will review the action taken to date and any decision that has been reached. Your appeal will be acknowledged within 5 working days and you will receive a response within 15 working days.

#### **Formal Complaint Stage 3**

If, having gone through Stages 1 and 2 of our complaints procedure, you are still unhappy with the outcome, you have the right to have your complaint heard by members of Viewpoint's Board. Your appeal will be acknowledged within 5 working days and you will receive our final response within 20 working days.
