

# Marian House Care Home

Marian House, located in the peaceful Grange, is a 35 bedroom care home. Small yet perfectly formed, it has ensuite rooms over two levels and a charming courtyard garden for residents to enjoy.

Perfect for those looking for a calm and homely feel, Marian House offers beautifully furnished rooms and communal spaces full of appeal. A delightful and cosy care home, Marian House residents receive first class nursing and dementia care in a beautiful setting.

Our experienced nursing and care teams will make residents feel at home from the moment they arrive. And with care plans tailored to specific needs, wishes and preferences, we are dedicated to supporting our residents so they can thrive in their later years.

## Activities

We offer a flexible programme of activities for all. Whether spending time outside with the Gardening Club, a creative morning in the Craft Café, or out and about in one of our regular bus trips, the choice is yours. Our Activities Coordinator is on hand to help design a plan that is right for you.

## Visitors

We always encourage visits from family and friends. Visitors are welcome at any time during the day or evening, subject to the care and rest needs of individual residents.

## Participation

Resident and family/friends meetings are held to give you an opportunity to let us know how we are doing and to raise any concerns. All contributions and suggestions are always welcome.

## The Craft Café

Run in partnership with Impact Arts, the Café is a beautiful space created for and by residents. Open 3 days a week, it welcomes all residents, friends and family.

## Regulation and Inspection

Marian House is registered and inspected by the Care Inspectorate and operates under the guidelines of the National Care Standards. For more information and to read our latest inspection report visit [careinspectorate.com](http://careinspectorate.com)

We are very happy to arrange visits for prospective residents and their families. To visit the home or to make an appointment for an assessment of a prospective resident's care needs, please contact our Manager for further details.
