

# Lennox House Care Home

## Activities

Our Activities Coordinator organises a range of activities for residents to take part in and will always consult you on your preferences. From chair exercises, to musical entertainment, movie nights, a trip out on our bus, or perhaps a creative morning in the Craft Café, the choice is yours.

## Visitors

We always encourage visits from family and friends. Visitors are welcome at any time; however, we have protected meal times for residents.

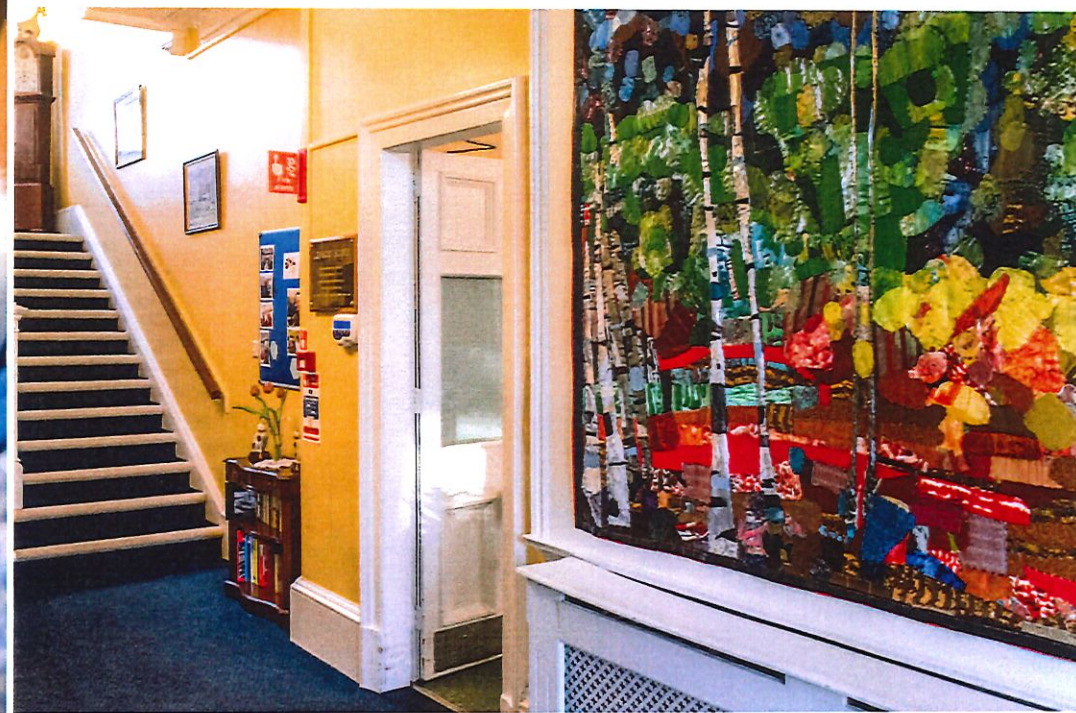

## Lennox House

A stunning Victorian property refurbished to create a beautiful home, Lennox House is located in the tranquil Trinity neighbourhood. With only 34 rooms, it is small yet spacious. Enjoy the bright and airy lounges and two ample gardens complete with summerhouse and a small pond - perfect to spend lazy summer afternoons in.

Calm and relaxing when you want it and exciting and vibrant when you fancy a bit of stimulation, Lennox House has the best of both worlds. Our nursing and care staff are a happy, hospitable team who encourage fun and joy and provide the highest quality of nursing and dementia care. They will help you settle in and ensure you feel right at home with us.

## Participation

Resident and family/friends meetings are held regularly to give us an opportunity to share information with everyone. All suggestions and ideas are always welcome.

## The Craft Café

Run in partnership with Impact Arts, the Café is a beautiful space created for and by residents. Open on a Friday, it welcomes all residents, friends and family.

## Regulation and Inspection

Lennox House is registered and inspected by the Care Inspectorate and operates under the guidelines of the National Care Standards. For more information and to read our latest inspection report visit [careinspectorate.com](http://careinspectorate.com)

We are very happy to arrange visits for prospective residents and their families. To visit the home or to make an appointment for an assessment of a prospective resident's care needs, please contact our Manager for further details.
