

# St Raphael's Care Home

Vibrant St Raphael's is located in the heart of the Grange, one of Edinburgh's most exclusive neighbourhoods. A bright art deco building, it boasts a beautifully designed Sensory Garden, an old fashioned style Country Park and our award winning Craft Café. Divided into 4 small units, it has 63 ensuite rooms over 2 levels, some with great views over Blackford Hill and the Pentlands.

Overseen by an exceptional nursing team, St Raphael's is bustling with life. From the moment you arrive you will receive resident-focused nursing and dementia care delivered by our team of registered nurses and carers. Our staff will ensure compassion, patience and kindness are at the centre of everything they do.

## Cunningham House

St Raphael's annex, Cunningham House, is a specialised unit for residents with behaviour that challenges.

## Activities

No two days are the same at St Raphael's. Our residents have a choice of activities including movie afternoons, day trips in our own minibus, joining our choir, relaxing in the "Laughter Library" or simply spending an afternoon in our cosy bar. Our Activities Coordinators will get to know you and are always happy to help design a plan that suits your taste and preferences.

Other services including hairdressing and chiropody are also available. You can make an appointment in our exclusive hairdressing salon and our Chiropodist will visit you in the privacy of your bedroom to attend to any foot care you may require.

## Visitors

We always encourage visits from family and friends. Visitors are welcome throughout the day, however it is important to note that we do promote protected meal times for residents.

## Participation

Resident and family/friends meetings are held to give us an opportunity to share information with everyone. Our Manager's door is always open and all suggestions and ideas are welcome.

## The Craft Café

Run in partnership with Impact Arts, the Café is a beautiful space created for and by residents. Open 3 days a week, it welcomes all residents, friends and family.

## Regulation and Inspection

St Raphael's is registered and inspected by the Care Inspectorate and operates under the guidelines of the National Care Standards. For more information and to read our latest inspection report visit [careinspectorate.com](http://careinspectorate.com)

We are very happy to arrange visits for prospective residents and their families. To visit the home or to make an appointment for an assessment of a prospective resident's care needs, please contact our Manager for further details.
